Thank you all for participating in this classic meeting!

This document contains all important information about the Red Bull Ring Classics 2025. Read this document very thoroughly so there won't be any surprises. And if you have any questions, please don't hesitate to ask!

Some words to begin with

The cars we drive offer little safety. Accidents not only destroy the originality, but also put the concessions with which we are allowed to race at risk. Racers are therefore asked to drive in a sporting and considerate manner, especially avoiding contact and refraining from aggressive driving.

Arrival times for the teams

On Thursday, 24th of April 2025, pre-parking will be available from 07.00 a.m. to 06.00 p.m. and the entry of the paddock is possible from 2.00 p.m. on. Entry of the pit garages is available from 04.00 p.m. on.

- We expect so many participants and cars at the Red Bull Ring Classics and the space at Red Bull Ring is very limited compared to e.g., Hockenheim or Assen.

The following procedure is mandatory:

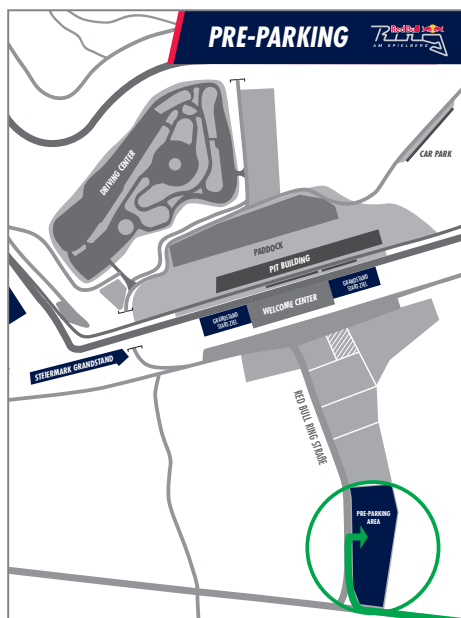

Those participants, who e.g. carry their race car in a trailer, (but don't need it anymore as soon as everything is set up in the paddock **bring their trailer to the Trailer Parking area by themselves (plan on next page)**). Cars can be parked at our dedicated team parking areas at the main entrance area. For campers we have some places left at a dedicated area in the infield. First come first serve on Thursday. To be safe, we recommend to contact TVB Murtal: <https://www.murtal.at/steiermark> for a campsite near / at the track.
